to me

Just spoke to the Chief and he stated that all the apparatus arrived on scene approximately at the same time (by minutes) and left the scene at the same time. Do you still want me to email the incident report? The report will not show times for each apparatus.

Fran

I emailed the FD for the incident report. 03-02-2018 8:53 am

Called 530-308-7111 and spoke to a man who 03-01-2018 12:48 pm
did not state his name and would not tell me. He stated that I can send it to the address the FD was dispatched to and he will take care of this invoice. 190 Industrial Way Beckwourth CA, 96129. I confirmed the address to see if we have everything correct and he confirmed that that is the address. I asked him if he wanted us to also send it to P.O. Box 623 Truckee, CA 96160 and he stated that this is the office address and we can just send it to the 190 Industrial Way address.
