SECTION I - Introduction and Background

A. Introduction

The Beckwourth Peak Fire Protection District (“BPFDP” or “District”) invites interested law firms or individual attorneys (“firm(s)” or “proposer(s)”) with a minimum of five (5) years of experience representing public agencies in general governmental procedures, compliance, contracts and transactions, and civil litigation to submit proposals to provide general counsel legal services for the BPFDP. Legal services will include managing and determining the need to engage special counsel services.

The objective of this request is to provide the BPFDP Board and staff with reliable and effective legal services on an as-needed basis. A firm selected as General Counsel will serve at the pleasure of the Board of Directors of the District and under the direction of the BPFDP Fire Chief. The District anticipates that the selected firm will enter into a professional service agreement for a term of five (5) years, with an opportunity for up to two (2) additional consecutive twelve (12) month extensions.

All proposals must be received by, on, or before March 1, 2024. The preferred method for proposal submission is electronic via the Board President, Rich McLaughlin at RMcLaughlinBPFDP@gmail.com. However, if you wish to submit a paper copy, please submit it in a sealed envelope to:

B. Background

Beckwourth Peak Fire Protection District is a Special District located in Eastern Plumas County with a headquarters station located in Beckwourth, CA, a census-designated place (CDP) in Eastern Plumas County. BPFDP is a new district, formed by Plumas LAFCO Resolution 2023-0004 dated June 12, 2023, and approved by the popular vote of property owners within District boundaries on the November 2023 ballot. The District’s official formation date was 1 January 2024.

The LAFCO resolution merged the operations of four different agencies previously providing fire services into one efficient, effective, and sustainable emergency services system to provide a proactive and sustainable solution for future fire and emergency service needs. The new District encompasses approximately 468 square miles including the territory previously within the City of Portola, Beckwourth Fire District, Gold Mountain Community Services District, and Sierra Valley Fire Protection District, as well as over 400 parcels not previously within the boundaries of a local fire provider. The District is composed of residential, agricultural, ranching, and forestry parcels, including the City of Portola and a number of master planned communities and resort parcels.

Funding for the new District is primarily through a combination of County property tax sharing and a new special fire tax approved by voters in the November 2023 election designed to specifically support the new District. Additional funding comes from grants, donations, contracts for service, and funding for Emergency Medical response from Eastern Plumas Health Care. The District’s fiscal year begins July 1 and ends June 30.

The proposed operating budget in FY 2024/25 is approximately \$660k* on projected revenues of \$960k.*.

The Fire Chief reports directly to the Board of Directors and performs all duties necessary for the proper and efficient management of the District, as determined by the Board, state, and federal law. The District currently has a small professional staff of three, with approximately 30 volunteer firefighters. The District generally holds meetings on the first Wednesday of each calendar month at 5 PM in the Board Room at the District office in Beckwourth. Typically, legal counsel will advise on complex resolutions or reports that have specific legal issues. Routine matters and/or reports generally do not require review by legal counsel.
